R6 WORK.STATION

CREATOR
RAGNARS DESIGN

ON TOP OF THINGS

An architectural statement for those who appreciate office furnitures on a higher level. Proportions and dimensions impress in the interplay with elegant materials. On a geometric basis, the collage of materials develops its aura. The interplay of proportions and surfaces has a prestigious air about it.

The R6 Work.Station is the solution for individuals obsessed with design, managers, lawyers and people working in the financial sector. it is also a solution that is often used in reception areas to give a good first impression.

DIMENSIONS FROM M TO XL

The desks are available in:

D=800 mm

L=1 800, 2 000 mm

D=900 mm

L=1 800, 2 000 mm

D=1 000 mm

L=2 000 mm

DESIGN

The key word for the R6 Work.Station is simplicity. It is an electric height adjustable desk consisting of rectangular boxes. Everything else is invisible. End of story.

ELECTRIC HEIGHT ADJUSTABLE

Electric height adjustable 680-1180mm. The height adjustable leg is moving at a speed of 38mm/s and a sound level as low as 43 dB.

CONTROL UNIT

Control unit embedded in table top.

MAKE A DIFFERENCE AND STAND BY THE CLIMATE!

With the ZERO™ technology it is possible to reduce the typical standby consumption of 1-2 W to just 0.1W.

PVC free solutions

For health reasons...Phthalates are suspected of disrupting hormones and may be related to several chronic diseases and birthdefects.

For the sake of the environment...

Due to its chemical combination PVC should be recycled separately from other plastics. This process takes up unnecessary resources. When PVC is incinerated it contributes to unnecessary release of dioxins.

MATERIALS

The table tops are available in Compact laminate white with black core, Desktop black with ABS edge black and Desktop black with solid aluminum core.

The base / frame are available in powder coated black

ACCESS TO CABLES AND POWER PLUGS

You can solve accessibility to cables and power plugs by adding a cable cover on hinges and a Cable.management.

Electric cords are hidden in the Cable.management and in the legs.

Cable cover on hinges.

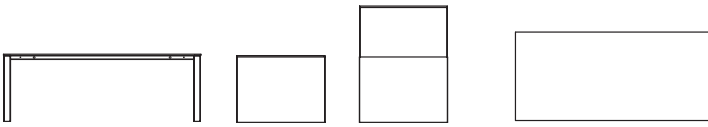

Cable.management
